Dear Prospective Member,

Over the course of the past several years, a local citizen's group made up of folks from the Canyon Lake area, along with the Guadalupe-Blanco River Authority and the U.S. Army Corps of Engineers have worked to create the Gorge Preservation Society (GPS). This organization is a 501(c)(3) non-profit organization (EIN #30-0379652) and is dedicated to developing long-term plans for the Gorge. GPS has developed the Master Plan for this unique area and is eager to have additional members assist with the development and maintenance of the site.

If you are interested in this unique project, please fill out the membership form below (make checks payable to Gorge Preservation Society) and mail to the address above. Your contributions will go toward making the Gorge a destination location for all to experience. You will receive quarterly e-mailed newsletters that will update you on development plans, scientific research and volunteer opportunities. Let your friends know about the Canyon Lake Gorge and the Gorge Preservation Society.

We appreciate your participation.
