

LIABILITY RELEASE AND RESCUE REIMBURSEMENT AGREEMENT

In exchange for being allowed to enter the property owned by the United States Army Corps of Engineers ("USACE") and managed by the Guadalupe-Blanco River Authority ("GBRA") known as the Canyon Lake Gorge, I am freely signing this Liability Release Agreement and Rescue Contract. I understand that entering this property may be hazardous to my personal health and safety, and that for the privilege of being allowed to enter the Canyon Lake Gorge, I am incurring all of the risks associated with the area, including but not limited to, falls, bumps, strains and sprains, being struck by loose rocks or timber, being stuck or trapped, being bitten or scratched by wild animals, being bitten or stung by insects or other invertebrates, and exposure to rabies and other diseases. I understand that as a consequence of some or all of the risks attendant to my entry on the property, including some described here, I may suffer broken bones, ruptured or otherwise injured internal organs, disfiguring physical injuries, incapacitating injuries such as neurological damage, brain damage, psychological damage, muscular damage, paralysis, blindness or death.

I understand and accept that my voluntary participation in activities at the Canyon Lake Gorge exposes me to a heightened risk of injury and that these risks are possibly beyond the ordinary risks associated with visiting such potentially hazardous terrain.

Understanding this, I hereby RELEASE, DISCHARGE AND AGREE TO HOLD HARMLESS United States Army Corps of Engineers (USACE), the Guadalupe-Blanco River Authority (GBRA) their agents, volunteers, employees, officers, directors, and successors, from and against any and all liability, claims, demands and judgments which I may have, or which my heirs, executors, administrators or assigns may have or claim to have against USACE or GBRA, their successors, employees, officers, directors or volunteers, for any and all claims, demands, actions, and causes of action of whatever nature or character, known or unknown, which may be asserted by any person, firm, or corporation, whoever claiming by, through or under me for personal injuries, death, and/or property damage caused by, or arising out of, my entry to the property and/or activities on USACE/GBRA property.

I agree that if I require rescue and/or emergency medical transportation, I WILL PAY THE COSTS OF SUCH RESCUE AND/OR EMERGENCY MEDICAL TRANSPORTATION, and I, or my heirs, executors, administrators, or assigns, will reimburse the United States Army Corps of Engineers, the Guadalupe-Blanco River Authority, and/or others for the costs incurred in performing any rescue and/or emergency medical transportation on my behalf within thirty (30) days of receipt of written demand.

I am 18 years of age or over, or I am accompanied by a parent or guardian who is authorized to sign this release for me. I have carefully read this Liability Release Agreement and Rescue Contract or had it read to me and I understand all of its terms. I am signing voluntarily and with full knowledge of its legal consequences and of the personal risks to me. I have not relied upon any information from the USACE or the GBRA, or any of their employees, agents, or servants in deciding to make this release and agreement.
